METHODOLOGY

Equal & Uniform analysis (TX Tax Code §42.26) using \$/sqft of improvements. Evaluated 15 comparable properties, selected 15 most similar. Adjustments applied for size, age, land value, features, and pool. Median adjusted value: \$454,150. Subject \$/sqft: \$157.54/sqft vs. Median comp \$/sqft: \$124.1/sqft. NOTE: E&U reduction capped at 30% — original calculation exceeded cap, flagged for manual review.

SUMMARY ARGUMENT

The property at 3315 Marlene Meadow Way, Richmond, TX 77406 is currently assessed at \$648,786 for the 2026 tax year. Analysis of 5 comparable properties shows 5 assessed below the subject after adjustments for size, age, and lot characteristics. The recommended value of \$454,150 represents a reduction of \$194,636, yielding estimated annual tax savings of \$4,866.
