Executive Summary

TOTAL PORTFOLIO VALUE	ANNUAL PROPERTY TAXES	ESTIMATED ANNUAL SAVINGS
$9,055,000	$202,885	$20,431

Portfolio Overview

Owner	Bijan Bonakchi / Dario Properties LTD
Commercial Properties	5 properties
Total Acreage	12.41 acres (commercial)
Current Tax Agent	Agent Code 60476

OverAssessed Proposal

Target Reduction	$905,000 (10%)
Annual Tax Savings	$20,431
OA Fee (20% of savings)	$4,086
Net Savings to Owner	**$16,345/yr**

⚠️ **Current Agent Performance:** 4 of 5 commercial properties increased in value over the last 4 years under current representation. Total portfolio value rose $500K+ — meaning the owner has been overpaying taxes that could have been protested.

Comparable Properties Analysis

ADDRESS	USE	SF	TOTAL VALUE	TOTAL $/SF	IMP $/SF
12840 W IH-10 (SUBJECT)	Medical Office	6,681	$1,915,000	$286.64	$122.33
13321 Silicon Dr	Restaurant	8,124	$3,300,000	$406.20	$41.37
12914 Silicon Dr	Auto Center	5,280	$2,300,000	$435.61	$241.95
13011 Silicon Dr	Car Wash	4,860	$3,050,000	$627.57	$182.16

Protest Strategy: The improvement value of $122/SF for an 18-year-old medical office is aggressive. The Dimassi's restaurant in the same subdivision (1999 build) has improvements at only $41/SF. Focus on improvement overvaluation — argue depreciation should bring improvements to $550K-$600K range.

Recommended Protest Value: $1,700,000 - $1,750,000
Estimated Annual Tax Savings: $3,779 - $4,924

Property 2: 12830 Silicon Dr, SA 78249

Comparable Properties Analysis

ADDRESS	USE	SF	ACRES	TOTAL VALUE	TOTAL $/SF
12830 Silicon Dr (SUBJECT)	Strip Center	9,300	2.13	$3,250,000	$349.46

13011 Silicon Dr	Car Wash	4,860	1.50	$3,050,000	$627.57

Protest Strategy: Challenge the improvement value — $1.49M for 9,300 SF of 8-year-old strip center ($161/SF) is high. Comparable strip center improvements in the area average $80-$120/SF. Reducing improvements to $1.1M would bring total to ~$2.85M.

Recommended Protest Value: $2,800,000 - $2,950,000
Estimated Annual Tax Savings: $6,871 - $10,306

Property 3: 15910 University Oaks, SA 78249

2025	$122,880	$627,120	$750,000	+$260,000

Protest Strategy: First-year assessment after new construction — protest the $260K jump from vacant land value. The land value increased 28% ($490K → $627K) simultaneously with the new build, which is aggressive. Target holding land value closer to $500K.

Recommended Protest Value: $650,000 - $700,000
Estimated Annual Tax Savings: $1,145 - $2,290

Property 4: 14988 Potranco Rd, SA 78245

$170K/AC	1.837%	$18,182
LAND $/ACRE	TAX RATE*	ANNUAL TAXES

*Outside City of San Antonio — lower tax rate applies (no city tax).

Protest Strategy: Value increased 13% over 4 years ($876K → $990K). Argue it should be held at the 2023-2024 flat level of $950K. Potranco corridor development hasn't delivered enough comparable sales to justify the increase.

Recommended Protest Value: $900,000 - $950,000
Estimated Annual Tax Savings: $735 - $1,653

Property 5: 12300 W Interstate 10, SA 78230

2024	$1,280,623	$1,069,377	$2,350,000	-$50,000
2025	$737,250	$1,412,750	$2,150,000	-$200,000

Protest Strategy: This property saw the best agent performance — down $250K over 3 years. The 1982 building continues to depreciate. However, there's still room to push further: the improvement value at $42/SF for a 43-year-old retail building should be closer to $25-35/SF.

Recommended Protest Value: $1,900,000 - $2,000,000
Estimated Annual Tax Savings: $3,435 - $5,725
